- Ensuring safety and efficiency at all times

Specialty Experience

Public works, casinos, hospitality, high-end private residential, large parks, podium work, swimming pools, water features, fountains, all aspects and integration of site development

Relevant Project Experience

Baha Mar, Nassau: China Const. Amer. **Contract value**: $105 Million	Mr. Leathers was the Project Executive for working for ValleyCrest and was involved in all aspects of this project. Scope included underground civil work, construction of multiple buildings, pools, hardscape, lighting and landscape
Africa/Asia, Disney's Animal Kingdom Customer: Walt Disney Imagineering **Contract value**: $50 Million	These two contracts running nearly concurrently included complete Area Development work inclusive of themed pavements, walls, fencing, structures, irrigation, planting, signage, and the installation of owner-furnished artifacts.
Lucayan Beach Club, Bahamas: Balfour-Beatty **Contract value**: $3.8 Million	This project consisted of landscaping and themed construction at this Bahaman resort. Themed work included the creation of an iconic aqueduct structure and sugar mill silo that serves to conceal the stairway to a water slide.
